GAIT & CLINICAL

GCMAS

MOVEMENT ANALYSIS SOCIETY

Dear GCMAS Members,

The 2026 Gait and Clinical Movement Analysis Society membership renewals are now open. As a member of GCMAS, your dues support the Society in a number of ways including the development and maintenance of the society web site (including members-only content), the development of standards and best practices for motion analysis and reduced registration fees at our annual meeting.

Membership in GCMAS is based on a calendar year; all memberships expire on December 31. Please note that midyear renewals are retroactive to January 1. Memberships are currently being processed for 2026. As a member of the Society, you also have the opportunity to purchase a 2026 print and/or electronic subscription to Gait & Posture at the discounted GCMAS rate.

Benefits of a GCMAS membership include:

- Opportunity for collaboration with both clinical and technical experts interested in human movement
- Reduced registration at the society's annual meeting, as well as ESMAC and SIAMOC society annual meetings
- Discounted online and/or print Gait & Posture journal access
- Access to the member's only website, which includes instructional resources, member directory, etc.
- Voting rights within the society
- Eligibility for the society's annual meeting awards, including the young investigator award
- Eligibility for student travel grants (restricted to student members only)

When you are renewing your membership, please update the information below as necessary. Asterisks indicate required fields. Student and trainee members are required to provide documentation confirming their academic status.

For more information about the renewal process including Gait & Posture subscriptions, or to submit your student/trainee documentation, please contact our membership chair, Karen Kruger, at karen.kruger@marquette.edu. International members, we can no longer accept foreign bank checks. Also, for security reasons we no longer accept wire transfers. If you are mailing your membership payments, please note our new address: Gait and Clinical Movement Analysis, PO Box 9299, Naperville, IL 60567
