Monica Cyr

Monica Cyr is a proud Métis woman born and raised in Winnipeg, Manitoba, Home Land of the Métis Nation. Her familial lineage stems from the Cree and French peoples of the Red River and St. Laurent regions. Currently, Monica is the Director of Primary Care for the Aboriginal Health & Wellness Clinic of Winnipeg.

Reuben Garang

Reuben has previously worked for the Government of Manitoba as a Policy Analyst and Community Outreach Advisor. He has close to 20 years of experience working with refugees and immigrants from different cultural backgrounds. He had help established the Ethnocultural Council of Manitoba. Reuben received the Mayor's Volunteer Award in 2015.

He holds Bachelor of Science and master's degree in development Practice from the University of Winnipeg.

Reuben is currently the Director of Immigration Partnership Winnipeg, and joins the board representing our coalition partner the Social Planning Council of Winnipeg.
