Good Afternoon Leah

How are you? Hope you and all are healthy.

I am confirming that we are able to operate the flights requested for Minister Hadju, my only request would be for the return flight, is she able to delay the departure in the morning or leave late afternoon on Monday, April 13? The reason for the request is for the crew's rest. To be in Thunder Bay for a 0700 departure they need to depart Ottawa at 0410 which means arriving at the airport at 0300. Please let me know if she is flexible.

I will get back to you with the crew info for Friday's flight.

Kind regards

Laurie Adamyk-Giblin

Apologies for the late email. See below for what I hope is a last change from the PMO. Grateful if you can confirm feasibility tomorrow.

Thank you!

Hi Junie,

As discussed Senator Plett requires to be picked up on Saturday morning instead. He will need to be in Ottawa around 2-3pm. Senator Plett would then like to fly back to Winnipeg on Sunday morning.
This will mean that the flight with Minister Hajdu is no longer required to continue on to Winnipeg tomorrow.

Thank you,

Hello Laurie,

We have received confirmation for only Minister Hajdu. I am waiting for times and other details for the other flights.

Here is what I have so far: (Note: I have advised that we are unable to support the Vancouver flight given these proposed timelines)

Voici les demandes de parlementaires pour du transport. Les timelines sont conditionnels à quand la Chambre et le Sénat vont siéger.
On s'attend à ce que la Chambre siège jeudi et que le Sénat siegu samedi.

- Sénateur Furey (Président du Senat)
  - St. John's – Ottawa (aller vendredi, retour samedi suite à l'ajournement du Sénat)
- Andrew Scheer, Candace Bergen, Sénateur Don Plett
  - Régina (Scheer) – Winnipeg (Bergen & Plett) – Ottawa (aller mercredi, retour samedi suite à l'ajournement du Sénat)
- ~~Elizabeth May~~
  - ~~Vancouver – Ottawa (aller mercredi, retour jeudi à l'ajournement de la Chambre)~~

See the plan below for the YWG – YQR flights - note typo YWG will do the YQR – YWG not YOW tomorrow

Perhaps we can ask YUL to complete the YOW – YWG flight on the Saturday, April 11 and YWG can do the YWG – YQR

Do we have any times yet for these flights? And pax, which I assuming will be the same as last week

The initial email should contain the following preliminary information:

a) Itinerary;

b) Number of passengers;

c) Passenger names and points of departure and destination;

d) Special medical or health considerations (if applicable);

e) Baggage weights and information on special handling and bulky items;

f) Special arrival or departure information; and

g) Special security requirements or arrangements.

Usually we are able to accommodate one carry-on bag and one 30lbs luggage/suitcase per passenger due to volume and weight restrictions on our aircraft. This may be adjusted depending on the number of passengers and itinerary.

Thank you,

Martin

To my friends at Transport Canada:

I simply wanted to take a moment to express my sincere appreciation for all your incredible efforts to support PCO, PMO, Ministers, and Parliamentarians over the past two months. We are living and working in extraordinary times currently, and we are adjusting our approaches, processes, and service offerings to help ensure continued and effective government operations. As a fellow public servant, I have been immensely proud to see the innovation, ingenuity, and old-fashioned hard work that you have been demonstrating. Simply put, the work that you have done collectively over the past few months has been nothing short of incredible. Thank you in particular for your heroic efforts to ensure that parliamentarians have been

able to return to Ottawa to pass important legislation aimed at supporting Canadians.

Thank you as well to Junie for building such great relationships with Transport Canada, DND, and others to help facilitate all of this. I am lucky to have Junie on my team.

Please pass on my appreciation to the many pilots, technicians, and administrators who have helped support each of these flights. I know this has been a team effort, and you clearly have a wonderful team.

Merci encore.

Hi Junie,

As discussed Senator Plett requires to be picked up on Saturday morning instead. He will need to be in Ottawa around 2-3pm. Senator Plett would then like to fly back to Winnipeg on Sunday morning.
This will mean that the flight with Minister Hajdu is no longer required to continue on to Winnipeg tomorrow.

Thank you,

Hi Junie:
We're all set for pickup of Senator Furey in St. John's tomorrow and return Sunday.
We will be landing in St. John's approximately 10:00 tomorrow, with a proposed departure time to Ottawa of 10:30. Pick-up will be at Woodwards Aviation, Hangar #5 (CCG Hangar). It is located out Torbay Road on the east side of the airport, not at the terminal. Go out Torbay Road to RCAF Road, hangar #5 is off RCAF Road. Woodwards Aviation contact is 709-579-3776, their building is on somewhat of a lock down, so please ask the Senator to call their number on arrival, and a staff member will meet him to escort him to the aircraft.
If you have any questions, please call me, I will be the Captain on the flight.
Thanks,
Brad

8pmET departure from Thunder Bay on Monday, April 13 would be great.

Thanks so much Laurie. I do have a bit of flexibility for a later departure Tuesday morning, but not much. To confirm, the flight time from Thunder Bay - Ottawa is approx 2hrs? If that's the case, I could push the departure to as late as 830am (for approx 1030am arrival in Ottawa) but would be hesitant to go much later than that. Would that work for the flight crew?
If not, then a return on Monday (April 13) evening would be the back up option.

The reason for the request is for the crew's rest. To be in Thunder Bay for a 0700 departure they need to depart Ottawa at 0410 which means arriving at the airport at 0300. Please let me know if she is flexible.

As I was reviewing flights and aircraft utilization for the next couple of days and early next week, I realized that we did not get a request for a return flight for Senator Furey. Would it be possible to reach out to his staff and inquire on return trip plans? I want to ensure that we will be in a position to support his return to St. John's if required.

It is indeed the same request… here is what I just received from our MinO:

Hi –
Jimmy can you please work w S and S and Aircraft Services to find out feasibility of using a TC aircraft on Monday, June 29.

If aircraft is departing from Ottawa, one passenger (Marc) would get on in Ottawa.
If departing from Montreal, Marc would drive to Montreal and get on the aircraft in Montreal.
One stop in Gaspe to pick up Min Lebouthillier (no staff).
On to IDLM for an announcement.
Stay about 60-90 mins, then return Gaspe- Montreal – Ottawa if plane needs to come back, otherwise Marc will drive home from Mtl.

Thank you,
Jennifer

Ok if anything changes let me know.

Senator Plett had mention to the crew that he might drive his car back to Winnipeg, not sure if that was a misunderstanding or not.

Anyways, I will go with both passengers going back tomorrow morning, unless you tell me different.

Thanks

See the plan below for the YWG – YQR flights - note typo YWG will do the YQR – YWG not YOW tomorrow

Perhaps we can ask YUL to complete the YOW – YWG flight on the Saturday, April 11 and YWG can do the YWG – YQR

Do we have any times yet for these flights? And pax, which I assuming will be the same as last week

As for the billing, I am sure it will not be issue, I will forward to Martin Bouchard for action upon his return July 15. I have also cc'd Etienne Mercier who is acting for Martin so he is in the loop.

Hi Laurie –

I hope you are well.

I spoke with the Minister today; the plan for next week would look like this, if possible;

Fly from Moncton to Ottawa on Monday July 6th ; departure at 9:00am.

Friday July 10th;
Fly from Ottawa to Moncton. *time is still in the air. There is a 50/50 chance we will depart at 10:00am. If a potential cabinet committee is scheduled, we will only depart around 15:00-16:00pmé

Also of note: will also be traveling. Can we action the same process as we did last time? will reimburse the cost of a commercial air ticket?

Please let me know if you need anything from me. Like always, thanks so much.

Hi Laurie,

I hope you are well, its been a while.

We might need to come to Ottawa next week. Either on Monday or Tuesday. We would stay 2 nights, then back to Moncton.

Do you see any issues?

This is still preliminary - ill confirm when I have more details.

Thanks -

Hi Josée

Do you know what FBO they are going to in YWG?

The reason I am asking is because they left from where our Winnipeg jet is base this morning, but our fuel contract is at the Shell. Just so I can tell him where the driver should pick him up.

Voici les demandes de parlementaires pour du transport. Les timelines sont conditionnels à quand la Chambre et le Sénat vont siéger.
On s'attend à ce que la Chambre siège jeudi et que le Sénat siège samedi.

- Sénateur Furey (Président du Sénat)

Record released pursuant to the Access to Information Act
Document divulgué en vertu de la loi sur l'accès à l'information

- St. John's – Ottawa (aller vendredi, retour samedi suite à l'ajournement du Sénat)

- Andrew Scheer, Candace Bergen, Sénateur Don Plett
  - Regina (Scheer) – Winnipeg (Bergen & Plett) – Ottawa (aller mercredi, retour samedi suite à l'ajournement du Sénat)

- ~~Elizabeth May~~
  - ~~Victoria – Ottawa (aller mercredi, retour jeudi à l'ajournement de la Chambre)~~
  - ~~On peut peut-être combiner avec les vols des Conservateurs, genre Vancouver – Regina – Winnipeg – Ottawa.~~

YUL would do the YOW – YWG leg drop off and head home. YWG would drop off in YQR, the 1 pax

I still don't have confirmation or times other than Samedi after the Senate finishes?

Let me know when you can if you have a crew

Merci

Bonjour Junie,

Availability is not an issue. No concerns. Understand that we are no longer required to pick up Andrew Sheer MP in Regina.

Please advise when you receive confirmation. As per regulations we have to ensure that our crews receive advance notice for crew rest purposes.

Thank you,

Martin
