Wilkinson Pay Update

Dear Colleagues

As you will be aware we are waiting for feedback from the company on our pay claim. We understand the board has met to discuss their response to GMB. Unfortunately, and despite GMB chasing the company, we have had no feedback on pay.

GMB will continue to push for answers and members will be advised on any feedback from the company.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Gary Smith', is written over a white background.

GARY SMITH
GMB National Secretary
