

Early Care and Learning (ECL) wages have increased

The BC government's ECE wage subsidy is appreciated

The value of the wage enhancement is currently \$4/hour.

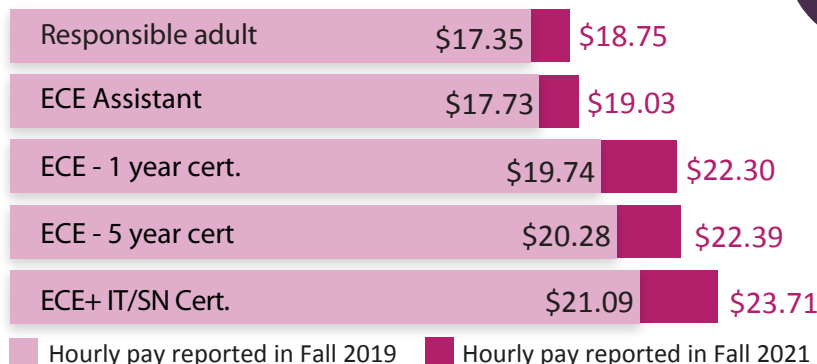

What percent of ECEs are receiving the Early Childhood Educator Wage Enhancement?

Approximately 90% of ECEs in BC received the Early Childhood Educators Wage Enhancement in 2021.

Average hourly wage rates for ECL professionals increased from 2019 to 2021.

But ECL professionals are still paid \$7 per hour lower than similarly-educated adults in BC.

So my fridge still isn't overly full of food, but ... we are able to pay our bills. I don't know if I would say working poor, but not far above. -ECE IT

+\$4

Supervisory roles in child care centres were paid \$4 per hour more than non-supervisors.
