“20’s Plenty – the new norm”
The conference on how 20mph limits are moving beyond towns and cities to

When and where is the conference?
This conference is co-hosted by Oxfordshire County Council and 20’s Plenty for Us. It is administered by Landor Links (in association with Local Transport Today). It will be held at Oxfordshire County Hall on the 20th October 2022, starting at 10am and ending at 4:30pm.

What is the conference theme?
28 million of the UK population already live in authorities who have implemented or are planning to implement 20mph as a norm. This conference will focus on the practices and processes being developed at national level and local authority level with particular reference to rural and semi-rural authorities. It will present why and how authorities are implementing 20mph as a norm, as well as reporting on results from previous rural implementation.

Who should attend?
Councillors and officers responsible for transport, mobility, active travel, public health and climate change. Transport and road safety professionals. Campaigners for safer quieter streets and active travel. Delegate fees will set to provide a very cost-effective and informative day for delegates, starting at just £95 for public sector attendance.
