ARTICLE 14: RESOLUTIONS

Section 14.1: Submission of Proposed Resolutions

Any proposed resolution must be submitted in writing to the District Chair and referred for review and recommendation by the Chair of the Platform and Resolutions Committee.

Section 14.2: Publication of Proposed Resolutions

Any proposed resolution shall be published in the Newsletter prior to the regular District meeting at which it is to be considered, unless the District Chair together with the Resolutions Committee Chair withholds the resolution. A description of the proposal in the Newsletter and a link to the full text of the resolution on the District web site also satisfies this requirement.

Section 14.3: Time-Critical Resolutions

Upon a ruling by the District Chair after consultation with the Resolutions Chair that a proposed resolution needs immediate consideration and could not reasonably have been submitted in time for the prescribed advance review and notice, the resolution may still be considered by the body provided:

- a. A two-thirds majority vote of members present and voting at a duly called meeting agree to immediate consideration of the resolution; AND
- b. The resolution sponsor brings to the meeting copies of the full resolution. The number of copies required is outlined in the District's Standing Resolution and Platform Rules.

ARTICLE 15: ENDORSEMENTS

Section 15.1: Endorsement Meetings

All regularly scheduled meetings between filing date and the November general election shall be open for agenda items relating to endorsements. Any other district meeting may be called an endorsement meeting, providing it is so announced in the duly mailed meeting notice. The call shall name specific election dates, offices, and/or ballot measures.

- a. **Rules.** Specific rules governing the Endorsement process shall be proposed annually by the Executive Board and approved by the full membership.
- b. **Action.** Action taken may include Endorse, Reject, or No Action. An Endorsement is specifically positive, Rejection is specifically negative, and No Action is as stated—no action, either positive or negative, is taken at that time. Endorsement or Rejection may include adoption of a position specifically opposed to or in praise of a candidate or ballot issue.
- c. **Process.** To Endorse or Reject requires a specific motion, and a 60% vote of those eligible members present and voting. For No Action, either a specific motion may be offered, or simply no action may be taken by the body.
