

### **Wissahickon Transportation Center Groundbreaking Invitation**

You are cordially invited to join SEPTA Board Chairman, Pasquale Deon, SEPTA General Manager & CEO, Leslie S. Richards, other elected officials, and the SEPTA project team for a groundbreaking ceremony to celebrate the rebuilding of the Wissahickon Transportation Center. The event is scheduled for **Thursday, May 18<sup>th</sup> at 10:00 AM** at 5000 Ridge Avenue, Philadelphia, PA 19128.

The Wissahickon Transportation Center is one of the busiest transfer hubs in the entire SEPTA system. With this project, we will expand and reconfigure the Wissahickon Transportation Center to alleviate congestion and allow buses, pedestrians, bicyclists, and vehicles to navigate the area in a much safer way.

This project will include new customer amenities such as weather-protected waiting areas, separate ADA-compliant boarding areas for each bus route and additional safety improvements. A dedicated bus turn lane will help to improve traffic flow and a new crosswalk across Ridge Avenue will allow pedestrians to access the Wissahickon Transportation Center more safely.

SEPTA looks forward to breaking ground on this transformative project and we hope you will be able to join us.

Wissahickon Transportation Center Project Groundbreaking Ceremony  
Thursday, May 18<sup>th</sup> at 10:00 AM  
Wissahickon Transportation Center  
5000 Ridge Avenue, Philadelphia, PA 19128
