A not-so-hard request

Your ABC is an important part of all our lives, but it has been badly damaged by years of funding cuts. The Albanese government has restored some of the funding lost under the Coalition, but more money is badly needed to rebuild the ABC's full capacity to inform and entertain us. Not to mention saving lives in its role as our national emergency broadcaster, for which it receives no extra funding at all. Please support our campaign to rebuild the ABC by joining or donating to ABC Friends Victoria.
