## WHAT PAST ACCOMPLISHMENTS WOULD YOU LIKE TO SHARE THAT ARE RELEVANT FOR HELPING OUR MEMBERSHIP UNDERSTAND YOUR VALUE AS A BOARD MEMBER?

I ran for the city council in Edmonton as there's shown there is a need for an experienced view and someone that has a great knowledge of budgeting, accounting, finance that can hold stakeholders to account on deliverables as the past and present city council have voted on policies that are not supporting the businesses as for a society to thrive the creation of business is fundamentally a MUST so with commerce, jobs a society can thrive.
