I am writing to express my interest in serving as a Director on the Alberta Party Board. I am committed to strengthening Alberta's political landscape through principled leadership and collaborative governance, and I believe the new Progressive Conservatives in Alberta will offer Albertans a pragmatic and forward-thinking alternative.

My experience includes serving as a Director and Vice President of Fundraising on the Airdrie-Cochrane UCP Constituency Association Board, where I contributed to strategic planning, donor engagement, and community outreach. These roles have equipped me with strong organizational and fundraising skills that I am eager to bring to the Alberta Party Board.

In addition to my political involvement, my professional background in business has provided me with expertise in financial stewardship, stakeholder relations, and strategic decision-making. I am confident that these skills will help advance the Party's objectives and support its growth across the province.

Please find my CV attached for your review.

**Regards,**
