

## **Volodymyr Chaush – Biography**

Volodymyr Chaush is a Ukrainian-Canadian community leader, hospitality professional, and certified Project Management Professional (PMP) who brings a unique combination of real-world experience, leadership, and community service to Banff–Kananaskis.

As a Sous Chef at the Fairmont Chateau Lake Louise, Volodymyr has spent years working in one of Alberta's most demanding and internationally recognized environments. Beyond his daily work, he played a key role in launching the Ukrainian-Canadian Congress Bow Valley Brunch in Banff, helping build cultural connections and practical support for newcomers. He also volunteers his time cooking for Ukrainian families in Lake Louise and Banff, preserving heritage while strengthening the local community.

Vladi's leadership experience began long before coming to Canada. Earlier in his career, he served as a regional campaign operations lead in Ukraine, managing teams, organizing large-scale outreach efforts, and contributing to national-level political coordination. This experience taught him strategic planning, communication under pressure, and how to mobilize people toward meaningful goals. He brings these skills into the Canadian public service in a non-partisan, community-focused way.

As a PMP-certified professional, Volodymyr applies structured project management methods to problem-solving, budgeting, planning, and team organization. Combined with his hospitality leadership, immigrant experience, and local involvement, he aims to represent Banff–Kananaskis with integrity, respect, and practical thinking.

Volodymyr chose the Alberta Party because of its collaborative, constructive approach to politics. His priorities include improving worker affordability, supporting tourism sustainably, enhancing community services, empowering newcomers, and ensuring the Bow Valley remains a welcoming, vibrant place for families and businesses.
