Subject: Letter of Interest – Provincial Board of Directors

Dear Members of the Nominations Committee,

Please accept this letter as my formal expression of interest in standing for election to the Provincial Board of the Alberta Party at the upcoming Annual General Meeting.

As a long-time supporter of pragmatic and centrist politics in Alberta, I have been proud to contribute to the Alberta Party's renewal over the past several years. I first joined the Party in 2015 and was elected to the Provincial Board in 2021. In 2023, I had the privilege of representing the Party as a candidate in the Beddington riding during the provincial election. Later that year, I accepted the responsibility of serving as President of the Alberta Party, a position I held from October 2023 until June 2024. Following my tenure, I continued to serve as non voting Past President and was reappointed to the Board in August 2025.

Through these roles, I have developed a deep appreciation for the importance of building a credible, values-driven political alternative that truly reflects Alberta's dynamic spirit. I remain strongly committed to advancing a **pragmatic centrist movement**—one that balances innovation and enterprise with fairness, justice, and compassion. I also fully support the ongoing transition of the Alberta Party into a **Progressive Conservative Party for Albertans**, ensuring our principles are both forward-looking and grounded in responsible governance.

Alberta offers the best environment in the world for people to achieve their full potential. To preserve and strengthen that advantage, we must position Alberta as the **leading province within Confederation**—one that empowers entrepreneurs and businesses to thrive, creates opportunity for all Albertans to grow, and maintains sound regulatory and legal frameworks that protect the public good. By balancing prosperity with stability, and enterprise with empathy, we can build a province that truly honours the rights and aspirations of every Albertan.

It would be my honour to continue contributing my experience, strategic perspective, and commitment to good governance as a member of the Provincial Board. I look forward to the opportunity to help guide the next phase of our Party's evolution and to support our shared vision of a strong, pragmatic, and forward-looking Alberta.

Thank you for your consideration.

Sincerely,

Wayne Jackson

Past President, Alberta Party
