VOTE 1 ANIMAL JUSTICE PARTY

Here's what we've won so far…

The Animal Justice Party has three state MPs and two Councillors.

In NSW we've passed more private members' bills than any other party. No one is fighting harder than us!

In NSW our MPs have:

- Outlawed convenience killing in pounds
- Ended the use of dolphins and whales for entertainment
- Secured over $70 million in funding for:
  - Animal cruelty enforcement
  - Animal rescue groups
  - Mobile vet clinics to help animals in fires and floods,
  - Treatment of wombat mange

There are no wasted votes in the preferential system.

Animals can't afford to be put second. Give Animal Justice Party your #1 spot. If we don't get in, your full vote goes to whoever you put #2.

Protect our beautiful community in Port Stephens – people, animals and nature

A vote for Michelle Buckmaster is a vote to:

Save Port Stephens Koalas

Urgent action to protect Port Stephens Koalas. Protect Koala habitat and corridors from development and land clearing.

Preserving the Port Stephens Marine Sanctuary

Urgent action to protect marine life. We need to disallow recreational fishing and ban personal watercraft such as jet skis in our marine parks.

End 1080 Poisoning

Ban the sale and use of 1080 in the Port Stephens electorate.

The Animal Justice Party is also fighting to:

- Reduce the number of animals killed on our roads. We need wildlife-friendly roads: overpasses, underpasses and virtual fencing trials.
- Ban puppy farms.
- Declare a climate emergency. No new coal, gas or oil.
- Renewable energy target of 100% by 2030. Support farmers to transition to sustainable agriculture.
