-------------------------------------------------------------	--------------------------------------------------------------------------	------------------------------------------------------------------------------------------	------------------------------------------------------------------

Then number the boxes above the line as shown.

Andrew Dudas

For Mount Druitt

BE SURE TO VOTE 1 ANIMAL JUSTICE PARTY ON BOTH BALLOTS.

VOTE **1** ANIMAL JUSTICE PARTY

Here's what we've won so far...

The Animal Justice Party has three state MPs and two Councillors.

In NSW we've passed more private members' bills than any other party. **No one is fighting harder than us!**

In NSW our MPs have:

- Outlawed convenience killing in pounds
- Ended the use of dolphins and whales for entertainment
- Secured over \$70 million in funding for:
 - Animal cruelty enforcement
 - Animal rescue groups
 - Mobile vet clinics to help animals in fires and floods,
 - Treatment of wombat mange

There are no wasted votes in the preferential system.

Animals can't afford to be put second. Give Animal Justice Party your #1 spot. If we don't get in, your full vote goes to whoever you put #2.

Andrew William Dudas is passionate about helping people and their pets through this economic crisis, and protecting our community from overdevelopment. Let's ensure Mount Druitt remains liveable into the future with green urban spaces for our children.

A vote for Andrew William Dudas is a vote to:

- End overdevelopment and protect our green urban spaces.
- Protect renters' right to have pets. Allow pets on public transport. These are real issues during the cost-of-living crisis.
- Veticare – like Medicare for animals. Being on a low income shouldn't mean your companion animal suffers.
- Free desexing to counter the crisis of homeless cats and dogs. Education campaigns about adopting pets over buying from breeders. Proper funding for our local animal shelters – all of which are over capacity. Shut down puppy farms.
- Shut down the taxpayer-funded horse racing and greyhound racing industries.
- End land clearing. Protect native forests.
- Declare a climate emergency. No new coal, gas or oil.
- Renewable energy target of 100% by 2030. Support farmers to transition to sustainable agriculture.
- Free hens from battery cages and end all factory farming
