WHY VOTE FOR ANIMAL JUSTICE PARTY

Save our wildlife

Urgent action to save koalas. End the commercial kangaroo industry. Ban shark nets. Protect our marine parks. End land clearing. Protect native forests.

End the exploitation of animals for 'entertainment'

Animals deserve better than to be abused for gambling and 'entertainment'. Shut down the taxpayer-funded greyhound racing and horse racing industries.

Protect our beloved pets

Shut down puppy farms. Protect renters' right to have pets. Allow pets on public transport. In the cost-of-living crisis these are real issues for Australians.

End factory farming

We must end the horror of factory farming. Rapid phase-out of battery hens and sow stalls.

Declare a climate emergency

No new coal, gas or oil. A renewable energy target of 100% by 2030. Support farmers to transition to sustainable agriculture.
