Independent auditor's report on the financial year  
ended 31 December 2021

**Independent auditor's report with respect to the Annual Accounts of the Alliance of Liberals and Democrats for Europe Party AISBL for the year ended 31 December 2021**

In accordance with our service contract dated 5 January 2021 with the European Union represented by the European Parliament, we report to you as independent auditor on the performance of our audit mandate which was entrusted to Grant Thornton Bedrijfsrevisoren CVBA. This report includes our opinion on the balance sheet as at 31 December 2021, the income statement for the year ended 31 December 2021 and the disclosures (all elements together the "Annual Accounts") using the abbreviated schedule and on the Final Statement of reimbursable expenditure actually incurred as well as on compliance with rules and regulations applicable to funding of European political parties and European political foundations and includes as well our report on regulatory requirements. These two reports are considered as one report and are inseparable.

We have been appointed as independent auditor by the European Parliament in our contract dated 5 January 2021. Our mandate expires after the delivery of our audit opinion for the year ended 31 December 2021.

**Report on the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred**

**Unqualified opinion**

We have audited the Annual Accounts of Alliance of Liberals and Democrats for Europe Party AISBL (the "Entity"), that comprise the balance sheet on 31 December 2021, as well as the income statement of the year and the disclosures, which show a balance sheet total of € 6.013.878,58 and of which the income statement shows a loss for the year of € 15.675,66.

In our opinion, the Annual Accounts give a true and fair view of the Entity's net equity and financial position as at 31 December 2021, and of its results for the year then ended, prepared in accordance with the financial reporting framework applicable in Belgium, using the abbreviated schedule.

We have also audited the Final Statement of reimbursable expenditure actually incurred for the year ended 31 December 2021, in accordance with rules and regulations applicable to funding of European political parties and European political foundations, of Alliance of Liberals and Democrats for Europe Party AISBL.

In our opinion, the Final Statement of reimbursable expenditure actually incurred of the Entity for the year ended 31 December 2021 is prepared, in all material respects, in accordance with rules and regulations applicable to funding of European political parties and European political foundations.

**Basis for unqualified opinion**

We conducted our audit in accordance with International Standards on Auditing ("ISA"). Our responsibilities under those standards are further described in the "Our responsibilities for the audit of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred" section of our report.

We have complied with all ethical requirements that are relevant to our audit, including those with respect of independence.

We have obtained from the Members of the Board and the officials of the Entity the explanations and information necessary for the performance of our audit and we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter - Basis of Accounting and Restriction on Distribution**

We draw attention to the Final Statement of reimbursable expenditure actually incurred. This schedule is prepared to assist the Entity to meet the requirements of the European Parliament. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Responsibilities of the Members of the Board for the preparation of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred**

The Members of the Board are responsible for the preparation of the Annual Accounts that give a true and fair view in accordance with the reporting framework applicable in Belgium and the Final Statement of reimbursable expenditure actually incurred. This responsibility includes: designing, implementing and maintaining internal control which the Members of the Board determine to be necessary to enable the preparation of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred that are free from material misstatement, whether due to fraud or error. The Members of the Board are responsible towards the European Parliament for the use of the contribution awarded and must comply with the provisions of the Regulation (EU, Euratom) No 1141/2014, Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') and the underlying acts.

As part of the preparation of the Annual Accounts, the Members of the Board are responsible for assessing the Entity's ability to continue as a going concern, and provide, if applicable, information on matters impacting going concern. The Members of the Board should prepare the Annual Accounts using the going concern basis of accounting, unless the Members of the Board either intend to liquidate the Entity or to cease business operations, or has no realistic alternative but to do so.

**Our responsibilities for the audit of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred**

Our objectives are to obtain reasonable assurance whether the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred are free from material misstatement, whether due to fraud or error, and to express an opinion on these Annual Accounts and Final Statement of reimbursable expenditure actually incurred based on our audit. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with the ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Annual Accounts and the Final Statement of reimbursable expenditure actually incurred.

When performing our audit, we comply with the legal, regulatory and normative framework that applies to the audit of the financial statements in Belgium. However, a statutory audit does not provide assurance as to the future viability of the Entity nor as to the efficiency or effectiveness with which the governing body has conducted or will conduct the Entity's business. Our responsibilities regarding the assumption of going concern applied by the governing body are described below.

Furthermore, with respect to the Final Statement of reimbursable expenditure actually incurred, it is our responsibility to express an opinion on the compliance with rules and regulations applicable to funding of European political parties and European political foundations.

As part of an audit, in accordance with ISA, we exercise professional judgment and we maintain professional scepticism throughout the audit. We also perform the following tasks:

- Identification and assessment of the risks of material misstatement of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred, whether due to fraud or error, the planning and execution of audit procedures to respond to these risks and obtain audit evidence which is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting material misstatements is larger when these misstatements are due to fraud, since fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtaining insight in the system of internal controls that are relevant for the audit and with the objective to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control;
- Evaluating the selected and applied accounting policies, and evaluating the reasonability of the accounting estimates and related disclosures made by the Members of the Board as well as the underlying information given by the Members of the Board;
- Conclude on the appropriateness of the Members of the Board's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to event or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Annual Accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going-concern;

- Evaluating the overall presentation, structure and content of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred, and evaluating whether these Annual Accounts and the Final Statement of reimbursable expenditure actually incurred reflect a true and fair view of the underlying transactions and events.

We communicate with the Members of the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Report on regulatory requirements**

### **Responsibilities of the Members of the Board**

The Members of the Board are responsible for the compliance by the Entity with the legal and regulatory requirements applicable in Belgium, its articles of association, the legal and regulatory requirements regarding bookkeeping and the provisions of the Contribution Agreement between the European Parliament and the Entity ('the Funding Agreement'), Regulation (EU, Euratom) No. 1141/2014, Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') and the underlying acts.

### **Responsibilities of the auditor**

Our audit work included specific procedures to gather sufficient and appropriate audit evidence to verify, in all material respects, that the financial provisions and obligations of the contribution agreement, Regulation (EU, Euratom) No 1141/2014, Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') and the underlying acts have been met.

### **Independence matters**

We have not performed any other services that are not compatible with the audit of the Annual Accounts and the Final Statement of reimbursable expenditure actually incurred and we have remained independent of the Entity during the course of our mandate.

### **Other communications**

- Without prejudice to certain formal aspects of minor importance, the accounting records were maintained in accordance with the legal and regulatory requirements applicable in Belgium;
- The costs declared were actually incurred;
- The statement of revenue is exhaustive;
- The financial documents submitted by the entity to the European Parliament are consistent with the financial provisions of the Funding Agreement;
- The obligations arising from Regulation (EU, Euratom) No 1141/2014, in particular from Article 20 thereof, have been met;
- The obligations arising from the Funding Agreement, in particular from Article II.9 and Article II.19 thereof, have been met;
- Any unused part of Union funding is carried over to the next financial year;
- Any unused part of Union funding is used in accordance with Article 228(2) of the Financial Regulation;

- Any surplus of own resources was transferred to the reserve;
- We were not yet provided with the financial statements prepared in accordance with the international accounting standards defined in article 2 of regulation (EC) No 1606/2002. The financial statements prepared in accordance with the international accounting standards will be subject to a separate audit opinion.
