## Nomination Letter

Dear Mr Moroza-Rasmussen,

On behalf of the Liberal Democrats, I am writing to nominate Baroness Sal Brinton for the position of ALDE Party Vice President.

Baroness Brinton has long been committed to upholding our values of liberalism and internationalism. Currently, she is the Liberal Democrat Spokesperson for Health in the House of Lords, and has interests in education, skills and learning. She is also an elected member of the Bureau and has been leading the review on ALDE Individual Membership.

I have no doubt that she would be an exemplary Vice President. Please do not hesitate to contact Mrs Pucher of our International Office if you would like any further details.

Yours sincerely,

**Sir Ed Davey MP**  
**Leader, Liberal Democrats**
