

DO YOU BELIEVE PATIENTS SHOULD BE ALLOWED TO USE MEDICAL CANNABIS IN HOSPICE?

UNFORTUNATELY, HEALTH AUTONOMY REQUIRES FEDERAL RECOGNITION

Every year, millions of Americans require long-or medium-term hospitalization, move into assisted living facilities, and enroll in hospice where medical cannabis is often outright prohibited. Federal restrictions and outdated perceptions of cannabis prevent patients from exercising healthcare autonomy at a time in life when it is most needed.

CONGRESS MUST FIX THIS. IT'S TIME TO MAKE MEDICAL CANNABIS LEGAL
