Signature Gala Sponsorship & In-Kind Opportunities

The YWCA is doing serious work in Anne Arundel County to provide emergency services including safe house shelter, legal representation, 24-hour hotlines, therapy, and hospital accompaniment to those who have been affected by domestic violence and sexual assault. As we serve 10,000 Anne Arundel County residents annually, we depend on our friends and supporters to supplement our grants and contracts to ensure no victim is ever turned away. While our services are very serious, our event provides the opportunity for us to be lighthearted as we enjoy celebrating eras from the 1920's (the decade we were established!) through the present, with each year having a dedicated decade. With 300 guests in attendance, the event is a lively party with dinner, live and silent auctions, photo booth, door prizes, and a few fun surprises that provide for lots of laughs!

The YWCA has put together this comprehensive packet to share the sponsorship and auction item donation opportunities. We are excited to partner with you in this way and have you share in this special evening. Sponsorship is a wonderful way to promote your company and/or product while also supporting essential programming. These services have a life-long impact on those who have experienced abuse as they transition to having a safe and loving home to call their own.

Enclosed you will find information on sponsorship levels, benefits and registration forms. Our supporters may be showcased through our website, print materials, media partners, electronic displays and social media. We truly love our partners and like to share the impact of your support!

- Many of us search for purpose in our lives; I have found great purpose in the orthodontic profession, in that I have the ability to make life changing differences in my patient's dentitions, smiles and ultimately their self esteem. But I am constantly inspired by the mission of the YWCA and their passion to provide crucial support to local women and their children, who have suffered greatly as a result of domestic violence. It is truly my honor and privilege to support the YWCA, and to be able to do my small part in helping ease the lives of these victims. ●●

Totally 80's Bash

event sponsorship & auction donation

The YWCA's Signature Gala is successful because of our community of supporters and sponsors. A significant way to support the programs of the YWCA is through event sponsorship and auction item donation as proceeds are specifically directed to our mission-based work in the areas of shelter, therapy, and legal advocacy.
