# Our Campaigns

Honoring our 2022 AZGP Slate of  
Candidates

# Liana West for AZ Governor

**LIANA WEST**  
2022 AZGP Candidate  
for Governor of  
Arizona

- ◆ Liana has been an AZGP member, volunteer, and state/county party Officer for several years and took the courageous step to represent us this election cycle as a first-time Green candidate for the Governor of Arizona.
- ◆ During the course of her campaign, Liana was featured multiple times on the popular independent news show “Revolutionary Blackout Network” (RBN), representing our party with grace, knowledge, and integrity.
- ◆ Amid this election cycle, Liana was a part of an inspiring group of women candidates running for Governorships on the Green Party ticket across the U.S. in states like AZ, TX, PA, and CT; forming valuable bonds and sharing resources and platforms with each other, and demonstrating that we are all stronger as Greens when we work together.
- ◆ While official results are still yet to be finalized, Liana over-performed our expectations and will likely finish as the third place candidate after Kari Lake, having received more votes than every other qualified write-in candidate in this race.
- ◆ Liana demonstrated leadership, tenacity, and a tremendous amount of courage in running at the top of our slate this election cycle, and we are so incredibly proud of her! Thank you Liana!

# Sam Hales for CAWCD Board

## SAM HALES

2022 AZGP Candidate  
for CAWCD Board of  
Directors

- ◆ Sam is one of AZGP's current elected party co-chairs, and has been an integral part of keeping our party operational since before she was elected as a co-chair. While juggling several responsibilities in the party, Sam was still willing to take on the extra work of being our endorsed candidate for this race.
- ◆ Sam has been a long time AZ Green Party member and was an invaluable co-founding member of the AZGP Young EcoSocialists caucus chapter, as well as having served as an alternate delegate to our GPUS National Committee, and as a volunteering member on several of our state party working committees.
- ◆ Despite a minimal campaign, Sam Hales has so far received an impressive 285 write-in votes as the only qualified write-in candidate in this race.
- ◆ We are so proud of Sam for having the courage and drive to represent our party in this campaign! Thank you Sam!

# Cody Hannah for Chandler City Council

**Cody Hannah**

2022 AZGP Candidate  
for Chandler City  
Council

- ◆ Cody is one of our currently elected AZGP co-chairs, and has served in several positions in the Green Party since joining, including as a former member of the GPUS Young EcoSocialists Caucus steering committee, a co-founder and former chairperson of the AZGP chapter of Y.E.S., and as an alternate delegate to our GPUS National Committee.
- ◆ While running a campaign almost entirely from his twitter account, Cody managed to gain the attention of local and state level media and was included in several articles and interviews surrounding his race.
- ◆ Cody received endorsements from notable resident activists, progressive organizations, and local officials, including then CUSD board member Lindsay Love, PPAZ board member Chris Love, American Youth for Climate Action, and others.
- ◆ Cody was our youngest candidate running this cycle at 24 years old, he ran as an openly eco-socialist, openly LGBTQIA+ candidate, and was our AZGP slate's top vote-getter this election cycle, receiving an impressive 930 write-in votes for the office of Chandler City Council member.
- ◆ We are so proud of Cody for having the courage to run as a first-time candidate with the AZGP! You represented our party well in this race! Thank you Cody!
