

28 Sydney Opera Houses
of threatened wildlife habitat
are **destroyed every hour.**

Nature
needs us,
now

Australians would never let the Sydney Opera House come to harm.

But right now **other Australian icons are being driven to extinction** because our **weak nature laws** allow their homes to be destroyed.

Australia needs strong new nature laws now

My name is:

I am:

Share with your MP a bit about who you are. Are you a parent, a teacher, a bushwalker, a sporting club member, a young person?

I care about protecting and restoring Australia's incredible places and wildlife because:

MP's name

Australia urgently needs strong new national laws that stop the destruction of our forests, bush and wetlands. **Will you speak up publicly on World Environment Day (June 5) to show your support for the strong new laws that nature needs now?**
