

Central Texas INTERFAITH **AGENDA OF ISSUES**

LIVING WAGES, WORKFORCE, AND EDUCATION

- Living wages and safe working conditions
- Funding for the successful long-term job-training like Capital IDEA
- Corporate tax incentives conditional on good jobs and workers safety
- Funding for public and higher education, including Historically Black College and University funding

AFFORDABILITY, HOUSING, AND HOMELESSNESS

- Aggressive implementation of the city's plan to end homelessness
- Rental assistance and debt moratoriums for families threatened by the COVID pandemic
- More affordable housing, especially for families making below 50% of MFI
- Funds for home repair for mobile home parks and underserved communities

IMMIGRATION REFORM

- Protection of the safety and rights of immigrant families
- State legislation allowing all immigrants to obtain a Driver's License/ID
- Federal legislation regularizing DACA status & making a path to citizenship
- Fair treatment of migrants at the border

COMMUNITY HEALTH AND SAFETY

- Expanded access to health care, including Medicaid, and equitable measures in addressing COVID
- Reform of policing and court systems to address racial disparities
- Common sense gun safety measures
- Equitable access for all to vote without excessive or onerous barriers
