For more than 80 years, AzHHA has been the nonprofit 501(c)(4) association giving Arizona hospitals a voice to collectively build better healthcare and health for Arizonans. As the champion for healthcare leadership in Arizona, AzHHA and its member hospitals explore ideas and take collaborative action at the state capitol, in hospitals and at home to attain the best healthcare outcomes for our community.

Our membership is strong and diverse. The roster includes 85 healthcare and community organizations in all corners of the state, including 71 hospitals ranging in size from less than 20 beds to more than 750.

In addition to acute care and critical access hospitals, AzHHA membership includes behavioral health, specialty and post-acute facilities. We are fortunate to also have members under the “federal” umbrella as either tribal or Veterans Administration hospitals.

The Arizona Hospital and Healthcare Foundation (AHHF) is a 501(c)(3) affiliate of AzHHA through which it is able to provide healthcare and leadership education as well as grant-funded programs addressing a series of hospital-based services.

Join this year’s Sponsorship Program and have the enhanced ability to reach hospital and healthcare industry leaders. Choose from a bundled option at the Title, Platinum, Gold or Silver levels. Bronze level sponsorships are à la carte opportunities that may be added to a bundled package or purchased as a stand-alone sponsorship.

By sponsoring AHHF’s 2023 Arizona Hospital Leadership Conference, you will have opportunities to:

- Attend any/all conference sessions, including keynote and breakout sessions
- Gain corporate exposure and brand visibility with healthcare decision-makers
- Cultivate relationships with Arizona’s hospital executives
- Achieve insight into Arizona’s healthcare community, including strengths and issues
- Support hospitals’ delivery of quality care

It is important to understand that this is an intimate experience and not a typical trade show event. The number of sponsors is limited to maintain the personal nature of this experience while also maximizing opportunities for sponsors to have face-time engagement with attendees. In addition to hosting an exhibit table, sponsors are invited to lunch with healthcare leaders during Thursday’s keynote and to network at Thursday evening’s reception. Only sponsoring vendors are permitted to attend the conference. Companies seeking business development opportunities may only attend as sponsors.

Sincerely,

Ann-Marie Alameddin
President and Chief Executive Officer
Arizona Hospital and Healthcare Association
