

MINUTES

For the Executive Committee Meeting of the British Columbia Federation of Students
Friday, July 28, 2023 • Online Vote

1. ELECTRONIC VOTING

The following motion was distributed to the Executive Committee by email.

2023/07:01

MOTION

Niikoi/Chirino

Whereas the advocacy goal of Rise Up and Fairness for International Students is to raise awareness of the unfairness experienced by international students through sharing experiences of students;

Whereas furthering the outreach of the advocacy through varied mediums to the public will gain more support for regulating international students' tuition fees;

Whereas supporting short film projects like Cash Cows will showcase members' experiences and enhance engagement of the Fairness for International Students campaign as it will reach audiences not typically reached by the Federation and member locals; and

Whereas sponsoring the project in the Diamond Package with Executive Producer credit will allow access to the Federation and member local for campaign use, adding another tool of engagement for its campaign for Fairness for International Students.

Be it resolved that sponsorship of \$5,000 be allocated for producing the short film Cash Cows.
