APPENDIX B**Union policy regarding changing of local boundaries**

The Provincial Executive at its regularly scheduled meeting held March 16, 1978 adopted the following procedure for the changing of local boundaries. This policy has been adopted in response to the change in the Constitution and the commitment made at the 1977 BCGEU Convention to provide a method by which locals could alter their boundaries to better serve the needs of the membership.

1. The local wishing to change its boundaries shall serve the appropriate component with a notice of motion containing the reasons why the request is being made, and reasonable proof that the proposed change is endorsed by the majority of the local membership affected.
2. The motion referred to in (1) above must provide the component with specific information on the change requested, including a description of the proposed new boundaries.
3. The component, after considering the foregoing motion and hearing the views of the other local(s) affected, will refer the matter to the Constitution & Structure Committee with a recommendation for or against the change.
4. The Constitution & Structure Committee, upon receiving a request for a local boundary change endorsed by the appropriate component, will have the committee secretary obtain a joint report from the area representatives concerned.
5. After considering all available information, the Constitution & Structure Committee will make the appropriate recommendations to the Provincial Executive for action.

This policy has been formulated not to discourage locals from changing their boundaries, but to ensure that the rights and wishes of all the members concerned are fully protected. The Provincial Executive considers the changing of local boundaries to be an important matter, and a great deal of care must be taken before any binding decisions are made.

All locals considering changing their boundaries should pay special attention to the section of the policy which requires proof that the membership affected are involved in the decision and have an opportunity to have their views heard.
