Re: Ratification Meetings and Voting

We are pleased to advise that a tentative agreement has been reached between the BCGEU and the BC Energy Regulator.

A copy of the Ratification Document is being prepared and will be sent to members on March 28th.

An information session will be held at BCER offices and virtually via Teams on Tuesday, April 4th starting at 1:30pm to discuss and review the settlement agreement we have negotiation with the employer on your behalf.

At this meeting, we will provide an overview of the negotiations, the 2022 bargaining mandate, highlight key improvements we've achieved with this agreement, and answer any questions you may have. Meeting invites will be sent separately once finalized.

Ratification Voting

The BCGEU will conduct the ratification vote electronically. Following the Information Meeting, you will receive an email with a link to vote online and your unique voting credentials. Please participate and vote. This will be the only method for casting your ballot. If you know of another member that doesn't receive credentials to vote because we do not have their email address, please tell them to contact negotiations.elections@bcgeu.ca.

Deadline to cast your vote will be 4:00pm on Monday, April 17th.

Your Bargaining Committee is recommending acceptance of this tentative agreement.

To help ensure you receive a copy of future updates, please provide a personal email address to the BCGEU at <https://my.bcgeu.ca/signup>. If we already have an email address on file for you and you wish to edit or update any of your existing contact information, you can use the same form.
