Re: First week of Negotiations complete,
2nd week of Negotiations begins today

The first week of Negotiations wrapped up at the Delta Hotel (Grand Villa), Burnaby, after exchanging non-monetary bargaining packages with your employer. Bargaining took place from March 8th – 11th. So far, discussions have been productive.

This week we are scheduled to bargain from Today until Friday (March 15-18th). We will be continuing non-monetary discussions and, depending on our progress, may table monetary proposals later in the week. Please stay tuned; your support is appreciated.

To ensure you receive a copy of future updates, please provide a personal email address to the BCGEU at <https://my.bcgeu.ca/signup>. If we already have an email address on file for you and you wish to edit or update any of your existing contact information, you can use the same form.
