Re: Tentative Agreement Ratifies

Your bargaining committee is pleased to advise that the tentative Xyolhemeylh collective agreement has been ratified. Members throughout the Fraser Valley participated in this important vote, either by attending ratification meetings, or by mailing in their ballots. Your involvement and support has been greatly appreciated over the very long time it took to reach an agreement that you would endorse.

In the coming weeks, work will be done to proof, sign, and distribute the new agreement. The Benefits Review Committee will continue to meet and ask for your input to the process of changing benefits.

To help ensure you continue to receive important updates please provide a personal email address to the BCGEU at <http://www.bcgeu.ca/update>. If we already have an email address on file for you and you wish to edit or update any of your existing contact information, you can use the same form.

In solidarity,
