Re: Tip Committee News

Due to vacancies, two new members of the Tip Committee for Table Games were recently acclaimed: Charito Bauldry and Amy (Ping Chang) Huang.

The Tip Committee now has its own bulletin board. You can find it directly across from the Union Board by the elevator.

Friendly Reminder: The Collective Agreement Memorandum of Agreement #2 Tip Committee clearly states *'it is agreed that the members will not vote for an increase or decrease in the percentage allocations for any department currently in the TIP pool during the term of this collective agreement. For clarity, no changes to the tip allocation can occur during the term of this agreement.'*

In solidarity,

Matthew Heisler
