Re: Bargaining Update

Bargaining with your employer commenced on March 14, 2019, with a full discussion on the non-monetary proposals. The parties agreed on almost all of these already, which represents a positive move forward for our negotiations.

We have started our discussions on the monetary proposals, and the parties will be meeting again in mid April to discuss further. This gap between meetings is due to scheduled vacations.

To help ensure you receive a copy of bargaining updates, please provide a personal email address to the BCGEU at <http://www.bcgeu.ca/update>. If we already have an email address on file for you and you wish to edit or update any of your existing contact information, you can use the same form.
