

# Stay and Play Afterschool Classes at Beall Elementary School

## Tiny Chefs – American Diner Challenge (6 Week Session)

Learning all about 3-course meals is what this session is focused on! Three themes, presented as one Combo meal for our students. We took our best summertime favorite American Cuisine recipes, used them as the basis to create an All-American Diner the campers will use to model their own restaurants, and then threw in a Chopped!-style twist, forcing the students to deal with a restaurateur’s worst nightmare—the wrong ingredients being delivered to their café! If your Tiny Chef dreams of being the next Bobby Flay or Rachel Ray, or competing on Top Chef, this is the after-school program they are looking for!

GRADES	COURSE #	DATES	TIME	COST
1-5	9806	Tue., Apr 9 – May 14	3:25 – 4:50 p.m.	\$155R/\$165NR

## Mad Science – Sensational Science (8 Week Session)

Children will harness heat energy, learn the science behind heat and explore the properties of both light and color. Your Mad Scientists will experiment with magnets, examine curious optical illusions and analyze the amazing properties of slime! Children will get to know their taste buds better and witness a hair-raising demonstration of static electricity. **(No class 4/18)**

GRADES	COURSE #	DATES	TIME	COST
K-5	9811	Thu., Apr 11 – June 6	3:25 - 4:30 p.m.	\$145R/\$155NR
