Further Information and Next Steps

All Expressions of Interest (EOIs) will be assessed by the Community Committee. After the EOI process has been finalised, MPs will nominate organisations. If your organisation is nominated, you will be invited to apply for a grant, which will then be assessed by the Department. More information on the application process is provided in Section 2 of the Guidelines. Please note that grants are one off, not ongoing. If your organisation is nominated to apply, your information will be shared with the Department.

Important: If your organisation is an unincorporated association, an individual from your organisation must assume personal legal liability. The individual will be legally responsible for delivering the funded activity, managing expenditure, and meeting all obligations under the grant agreement. For more information see **Section 4** of the [Grant Opportunity Guidelines](#).
