Traditional Options for Recycling

Single family homes and duplexes - Curbside service is provided each week or two

- Yellow Bag - paper, cardboard, newspaper, cereal boxes
- Blue Box - most metal and hard plastic containers. **New: Single use coffee cups and lids.**
- Green Bin - kitchen scraps, garden waste, and yard trimmings
- Grey Box - glass bottles (metal or plastic tops go in Blue Box)
- Black Bin - landfill - see pop-up recycling option, above

Apartments, condos, and townhomes

The same items as for single family homes are generally deposited into larger bins. If your neighbours need help to sort, we can present a Recycling 101 seminar.

Other items to recycle

Recycle depots accept large appliances, paint, large power tools, outdoor equipment, exercise equipment, etc. For details, visit www.vancouver.ca and click on the Waste Wizard.
