

Don't Take Revenge

Memory Verse

**Beloved , never avenge yourselves, but leave it to the wrath of God, for it is written, "Vengeance is mine, I will repay, says the Lord."
- Romans 12:19**

Has someone, maybe even a friend, ever treated you so unkindly or unfairly that all you could think about was doing something nasty back to that person? This is the way of our sinful human nature. However, God's way is very different from man's way.

When we take such a situation into our own hands and retaliate, we are not allowing God to handle the injustice. Notice God's words in our memory verse, "It is mine to avenge; I will repay." God is the one whose job it is to take care of the offending person. When we take revenge into our own hands, we are not allowing God to work in the situation. God desires peace and harmony in relationships. He wants to work to bring about justice in the best way. When we choose to forgive, we are cooperating with God so peace and harmony can be restored.

A Friendship Mended

Alex was telling Mom how his friend, Mike, had accidentally stepped on his new remote control car. "He said he was sorry that he'd pay to have it fixed, but I don't think it even **can** be fixed," said Alex, holding out the mangled pieces for Mom to see. "I'm not sure he's my friend anymore either."

"Now tell me... what kind of friend is Mike?"

"He was my best friend," mumbled Alex.

Mom nodded. "Something unpleasant like you experienced can ruin a friendship, even between best friends. Mike did his part when he told you he was sorry and offered to pay to have your car fixed."

"But I got this car for my birthday just last week!" exclaimed Alex.

"With a situation such as this," said Mom, "you're going to have to decide which is more important to you: a toy car or a best friend."

Alex was quiet for a while. "Okay," he mumbled at last, "I'll forgive him, but he should be more careful."

Mom looked serious, "**How** will you forgive him?" she asked. "I know you've learned verses about the **way** God wants us to forgive. Do you remember what He says?"

"Well, He says the way Jesus forgave is the way we also..." Alex stopped and was quiet. Then, he looked up at Mom. "How long until supper?" he asked.

"You have time to go see Mike and mend a friendship," Mom smiled.

"Good! Thanks, Mom!" And Alex dashed out the door, smiling expectantly.
