The Center

Vision:

To champion equity and create pathways for all LGBTQ+ people to thrive and experience Queer joy.

Mission:

We foster Queer joy and liberation, centering the most marginalized populations. We provide community-led, responsive, and accessible programs and services for the LGBTQ+ community through connection, education, and healing.

4 Pillars

Community

Community is at the heart of all we do. We prioritize leadership by and for LGBTQ+ people, ensuring our **programs, events, and advocacy efforts** reflect the lived experiences and needs of our diverse Queer community in the Lehigh Valley and beyond.

Connection

We **create spaces** where LGBTQ+ people can build **authentic relationships, find belonging, and grow together** through community groups, events, and outreach. Connection is how we foster joy, reduce isolation, and strengthen our community bonds.

Education

Through **trainings, workshops, resource development, and youth and adult programming**, we equip individuals, organizations, and institutions to better serve and uplift LGBTQ+ people. Education builds power and drives change from the front desk to the front lines.

Healing

Our trauma-informed and culturally responsive programs center the emotional, mental, and physical wellbeing of LGBTQ+ people, especially those most marginalized. We offer **healing through peer support and affirming spaces for grief, joy, and transformation.**

Why Sponsor Bradbury-Sullivan LGBT Community Center?

Sponsorship isn't just funding a festival or program. It's stepping up as an ally, demonstrating shared values, and helping ensure LGBTQ+ communities thrive.

AS A SPONSOR, YOU'LL:

- **Align** with one of the region's most trusted LGBTQ+ organizations
- **Reach** thousands of engaged community members and supporters
- **Demonstrate** your commitment to inclusion, equity, and Queer resilience
- **Strengthen** your brand through high-visibility, values-driven marketing
- **Support** vital services that directly impact LGBTQ+ lives in the Lehigh Valley
