“ Britain First is a patriotic political party made up of ordinary working class patriots who oppose the politicians who are destroying our country.

We are not going to stand back and watch as they dismantle our nation. We are mobilising to take our country back because we are British and proud! **”**

Putting British People First

JOBs FOR BRITISH WORKERS

Immigration brings in cheap labour which leaves our workers unemployed. Enough is enough!

TACKLE ISLAMIST EXTREMISM

We have had enough of terrorism, Sharia Courts, hate preachers and halal slaughter. It's time to clamp down on extremism.

STOP IMMIGRATION

Britain is full up and overcrowded. Immigration is out of control. It is time to close our borders.

CHARITY BEGINS AT HOME

We will put our veterans and elderly ahead of migrants. We will end 'foreign aid' and spend British taxes at home.

CHRISTIANITY RESTORED

We will restore our Christian faith, including Christian school assemblies and moral values.

BRITISH AND PROUD

We want British history and traditions to be taught in schools and promoted by the media.

“ I have had enough of our people being treated like second class citizens in our own land ”

Sharon, Worcester

“ I am sick of watching our people die in endless terror attacks. Time to take action ”

Tom, Leicester

“ We care more about migrants than we do about our own homeless veterans ”

Ashlea, Manchester
