

Dear Friends, this is the "Open Letter" we just sent out to all the leaders you see here. I ask you to contact them, and ask for their help. And I beg you to give whatever you can in this final stretch. Randall

Greetings in the Name of Jesus.

Our campaign has seized a unique opportunity to reach America with a crystal clear message concerning the horror of child-killing: "**A vote for Kamala is a vote for murdered babies.**"

We are doing something nationally that no one else has ever done: showing abortion for what it really is - murder. Because we are federal candidates, our TV ads run uncensored on federally licensed TV and radio stations - at the lowest prices. Moreover, I (Pastor Broden) have been on National TV, saying words and showing images regarding black genocide that no one has ever been able to do. (See My Ad Below: "Democrats Reunite with the KKK.")

Pro-life organizations have bemoaned the fact that the media hides the truth about abortion. This censorship and bias is well documented. But now, we can overcome that censorship.

Our campaign offers the whole pro-life movement an incredible opportunity. We can show the truth, "speak truth to power," AND call on voters to fear God and defend babies with their votes. We're calling Catholic and Black Democrats who traditionally vote Democrat to forsake this godless party, because it is at war with children. Our mission is: Defend Children, Defeat Kamala, and Destroy the Democrat Party. We have committed to help defeat Kamala in such a way that does not hurt President Trump. And we have been successful in that mission.

Our campaign enables us (and YOU) to SAY and SHOW the truth, unimpeded. We have reached tens of millions of Americans nationwide for less than 1/10th of what it would cost a Super PAC to buy the same spots. We are showing aborted babies - uncensored! - *for the first time* to millions of people; something a Super PAC, a PAC, a 501-c3 or 501-c4 cannot do.

Abortion on the Ballot in 10 states: We've created TV ads to run in those ten states to try and stop the baby-killers from their murderous agenda. ***We're calling on you to help us raise the funds to buy TV time to reach those 10 states.*** www.GiveSendGo.com/GBQ2T

Pro-life Prisoners - ad ran on The View: We released a TV ad honoring the Pro-life prisoners languishing in Federal Prison, calling on the voters to reject child-killing laws, and to refuse to vote for Kamala. And as you will see, we quote Christ, and give our Savior the place He rightly holds as "King of kings and Lord of lords." www.GiveSendGo.com/GBQ2T

There are many ways you can help raise money to run the ads right now. Please help. Sadly, we've heard the excuse about the "tax exempt, 501c3 status" prohibiting involvement in politics. We will leave the folly and treachery of this argument and status for another day. For now, it suffices to say you can help us by simply interviewing us, by giving us visibility, by sending out

an email, or inviting people to watch the new TV ad at www.GiveSendGo.com/GBQ2T letting your supporters know that a TV ad exists to defend the pro-lifers who are sitting in prison.

Our TV ads are running in AZ, MO, NY, WI, and FL. They are also running nationwide on the View, Jimmy Kimmel, and ABC World News Tonight. We have already reached tens of millions of Americans. Babies will be saved because moms saw these ads. If we have the resources – with your help - we could help the outcome of certain state elections. *Please seize this moment with us.*

We hope for your aggressive help right away. We all know our campaign is the only means to get this message out to tens of millions of voters. Social media won't allow it; billboards and newspapers won't allow it. Only TV will allow it, IF you are a federal candidate...as we are.

In Christ, for His Babies,

Randall Terry and Pastor Stephen Broden

Constitution Party Candidates for President and Vice President.
