VOLUNTEER • DONATE • ADVOCATE

The California Green New Deal

Economic Bill of Rights

- Workers' right to a thriving wage, worker-owned industries, safe workplaces, unions, fair trade
- Right to quality healthcare & affordable housing
- Right to free, quality, publicly funded education

Green Transition

- Publicly-owned, safe, local, decentralized, renewable energy production, use and storage
- Energy use reduction, efficient & clean-energy public transit
- End fossil fuel extraction & private de-regulation
- Prioritize community resilience and protect frontline communities

Real Financial Reform

- Relieve homeowner & student debt burdens
- Public state bank investing in CA, not Wall St.
- Progressive and fair taxation

A Functioning, Just Democracy

- Black Lives Matter, Police accountability, gun control & safety
 - End Lobbyists' influence in our government
 - Justice system reform, end death penalty, legalize marijuana
 - End the military industrial complex & privatize prisons
-
