# Mission South Africa

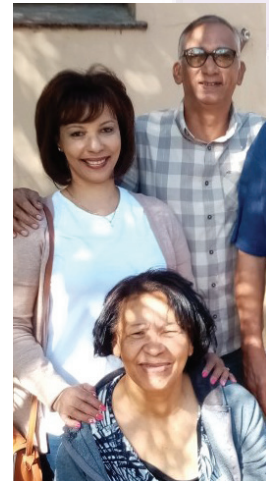

From Port Shepstone, South Africa

Dear Friends of the South African Mission,

We have exciting news! Airlines tickets have been purchased in order to bring Maggie Moonsamy, and Robert and Shirley Balkaran to the United States! The trio will leave South Africa on November 1, and visit several churches in Colorado and Kansas during the month of November. They are scheduled to make the return trip to South Africa on December 1.

Please be in prayer for their travel and their visit as they share with all of us about the ongoing ministry in South Africa. Also pray for health for the team as Maggie, especially, has had some health issues lately and is relying on God's strength to make the trip. This is Robert's first time to fly in an airplane and he is very excited to have the experience.

All of the supporting churches would also like to unite together and send the team back to South Africa with a significant love offering for the ministry. If you believe God is leading you to join in this effort, please come prepared and put your gift in a special envelope or mark your check as a special offering for South Africa.

See the speaking schedule below to find out when the South Africa team will be in the church nearest you and invite a friend to come and hear how God's plan is moving forward in this ministry's future.
