

ACKNOWLEDGMENT OF INELIGIBILITY TO TRANSPORT

I, _____, CASA volunteer, have read, signed and received a copy of CASA's Criteria to Transport and Transportation Policies and Procedures.

While performing the duties of a CASA volunteer, it has been determined that:

- In CASA's review of my driving history, I am not eligible to transport CASA children until given further notice in writing by CASA of Travis County.
- I choose not to transport children during my CASA volunteer service and will not be providing CASA of Travis County with copies of my personal liability insurance. Therefore, I am not eligible to transport CASA children until I provide this information to CASA of Travis County and receive written notice that my eligibility to transport has changed.
