

Focus Group Opportunity:

We are seeking 2SGBQM (Two-Spirit, gay, bisexual, queer and other men who have sex with men, including trans men and non-binary people) to participate in focus groups on new, "long-acting" PrEP to prevent HIV, and to explore potential needs and preferences within different communities.

We are looking for 2SGBQM who identify as:

- Indigenous and/or Two-Spirit
- Black
- People of colour
- Rural/remote living
- People who use substances
- Trans and non-binary folks

Eligibility

To participate in the study you must:

- Identify as a man or another gender other than a woman, inclusive of trans men and Two-Spirit people
- Identify as Two-Spirit, gay, bisexual, queer, same gender loving or other non-heterosexual identity
- HIV negative or unknown HIV status
- 15 years of age or older
- Speak English, French, or Spanish.

Principal Investigators

- Dr. Darrell Tan
- Michael Kwag

Compensation

You will receive an honoraria of \$60 for participating in this focus group
