MAKE FRIENDS | MAKE DISCIPLES | MAKE A DIFFERENCE!

REFLECT. SHARE. GROW.

Last month, we talked about the importance of finishing the year strong by giving group members time to reflect on the past year and dream together about ways to stay connected over the summer, share the Good News about CFM, and welcome new members into their groups.

Just as important is taking time to listen to your members' feedback, which can bring fresh ideas, strengthen relationships, and help your CFM Action Group continue to grow and thrive.

Many group leaders have found that simple end-of-the-year surveys are a great way to spark conversation and gather helpful feedback.

Click [HERE](#) for a sample.

These surveys can be shared at the final meeting of the year, giving members a chance to reflect, share ideas, and return them to the leader couple.

The responses can help leaders plan for the upcoming year while also giving members a better understanding of CFM leadership and ways they can support or step into those roles themselves.

CFM National is hoping to hear from all members about their experiences in CFM this past year.

In June, we'll be sharing a link to an end-of-year survey in the ACT! Newsletter - we'll also send the survey link by email.

Please take a few minutes to complete the survey and encourage your group members to do the same. Each member's feedback and insights are greatly appreciated and valuable in helping us continue to strengthen and grow our beloved Movement.

THANK
YOU
