

## CHICAGO MARKET OWNER AGREEMENT — Grant Program

For the purpose of facilitating access to consumer goods by providing necessary funds for Chicago Market's proposed retail grocery store, and to acquire an Ownership interest in Chicago Market, I hereby participate in the purchase of an Ownership interest for:

**\$250 (Founding Owner)**

The Ownership interest hereby purchased is intended to confer the right to purchase consumer goods and services at Owner prices and to participate in the governance of Chicago Market in accordance with its Bylaws. The Ownership interest hereby will entitle the holder to no dividends or other monetary return, will be nontransferable except to Chicago Market, will be redeemable only in limited circumstances in accordance with the Bylaws of Chicago Market, and will be subject to other terms and conditions in Chicago Market's Bylaws.

As a participant in the Chicago Market Ownership Grant Program (the "Program"), you will receive an Ownership interest for no initial cost. \$125 will be contributed towards your Ownership interest by the program. Any patronage refunds allocated to this Owner will be applied to the Ownership equity until the full \$250 Ownership is funded. If you terminate your Ownership at any time, this initial \$125 investment will be returned to Chicago Market. Any additional funds that you contribute towards your Ownership shall be refunded to you, pursuant to the applicable policies of Chicago Market with regard to the refunding of Ownership contributions.

The funds remitted hereby are intended to be used to fund the development of Chicago Market, including the securing of additional financing to Chicago Market. All such funds are subject to the risks inherent in any start-up enterprise of this character and may result in the loss of part or all of such funds. Persons who cannot afford to incur such losses should not purchase Ownership interests in Chicago Market.

By signing below, I authorize Chicago Market to use my name and likeness for any lawful purpose, including, without limitation, in promotional materials and electronic communications.
