CELEBRATE LA!

Welcome to Celebrate LA! Today is about the vibrancy of Los Angeles—the music, the art, the dance, the food, and more than anything else, the people that make L.A. one of the most influential and exciting cities on the planet.

Today, the LA Phil and CicLAvia are transforming our streets, turning the roads that connect Walt Disney Concert Hall and the Hollywood Bowl into a gathering place where Angelenos of all stripes can walk, run, bike, skate, skip, saunter, and groove. With the help of Community Arts Resources (CARS), we've gathered some of our favorite musicians, dancers, artists, food vendors, and performers to help us celebrate the LA Phil's first 100 years and the city that constantly inspires us.

Enjoy yourself—and the best of what L.A. has to offer.
