The Communicator is a quarterly newsletter that reaches over 6,700+ property owners within the Clear Lake Area. We have many local businesses within the Clear Lake area, and we encourage them to take advantage of our low advertising rates to market their services.

Happy Spring! It's a great time to take a step back and view your property from the street to view your curb appeal first hand! It may be time to mow, edge, remove all weeds from flowerbeds, trim all trees and shrubs. It's also a great time of year to pressure wash your home, sidewalks and driveway and freshen up exterior paint! Please remember to keep all trash cans out of public view, clean out gutters and remove tree debris from your rooftop.

CLCCA will hold the following exciting events and we'd love for you to join us! Our biggest annual event is the Easter Egg Hunt scheduled for April 9th!

The CLCCA Annual Election is scheduled for Saturday, May 7, 2022 from 7am-7pm. Trustee positions open are Oakbrook, Oakbrook West, and Camino South. Qualifications are listed in the Bylaws online. Term is for three years. The application will be available online via the "news" page and in the gym office soon!

Annual assessments are now posted to each account and due annually on July 1st. If you already have access to your account online, you pay log in at any time to view and pay your balance. Statements went out by email this month and will be mailed soon. Please know that CLCCA is not responsible for lost statements. Therefore, please make a note to contact the office if you do not receive an invoice by June 15th.

The CLCCA staff is always available to assist you with any questions pertaining to the association and/or recreation needs.

# Important News

- ◆ **We need your help!** Deed restriction drives occur monthly, and additional drives are completed as complaints come in. Multiple letters per core are mailed out monthly for common issues such as miscellaneous items in public view, trash cans in public view, mold/mildew on home exteriors, inoperable vehicles, damaged or missing fence pickets, boats, trailers, parking on grass, etc. The deed restrictions can be found online. Please take the time to review the deed restrictions in your area so you are not in violation. If you don't have a copy, they can be found online at [www.clcca.org](http://www.clcca.org) under the "About" tab. Keep in mind that violations not cured within the allotted time could result in legal action. This will cost both the association and the property owner in legal fees. Let's help each other out by curing any current deed violations. If you are having difficulty in getting a violation cured, please contact the office to explain the situation. The association is always willing to work with the property owners when possible. *\*Please do not ignore a violation letter the association sends.*
- ◆ **The CLCCA Architectural Review Committee meets monthly.** If you are considering an exterior change to your property, be sure to submit an online ARC request before you begin a project. The ARC committee must approve any exterior changes to the home or yard.
- ◆ **CLCCA Board of Trustee Meetings are held in person on the third Wednesday of every month at 7:00 pm.** You are welcome and encouraged to attend!
- ◆ **CLCCA is not directly associated with the trash pick up system around the Clear Lake area.** The City of Houston takes charge of the trash-pick up system in our area. ALL questions regarding the picking up of debris, tree limbs, and junk will be answered by calling 311.

## **CLCCA receives the following common complaints. Please be mindful of the following:**

- ◆ **Residents placing their heavy trash or tree waste out on the curb days and sometimes weeks before the scheduled trash pick-up day.** Please do your part to know when to put your trash out the night before or the morning of pick-up. If it's your neighbor leaving their trash out for days, please contact 311. When placing your cans at the curb, remember to leave 3 feet between each can and other objects such as cars, trees, and mailboxes so the trucks can pick the items up quickly.
- ◆ **Vehicles parked in the street for days without being moved.** If a vehicle is inoperable and/or parked in front of your property for more than 24 hours, **contact 311** to request the vehicle be towed.
- ◆ **Vehicles and trailers parked on the lawn. Please do not park any vehicle or trailer on grass.**
- ◆ **Trailers, boats, campers and RV's stored in public view.** Even though some of the areas permit this, many of your neighbors do not appreciate them. These items make the community look like a storage facility, and your neighbors are concerned about their property values decreasing due to these items.
- ◆ **Vehicles parked in driveways blocking sidewalks.** This is a city ordinance violation, and you can be ticketed.
- ◆ **Concrete and Wooden Fences.** If you own a concrete or wooden fence facing El Camino Real, El Dorado, Pineloch, Space Center, etc., please maintain and power wash your fence when needed. If your concrete fence needs paint, the approved color is called Dry Dock and you can find it at Sherwin Williams. Paint chips are also available in the CLCCA administration office.
- ◆ **Sidewalks.** The repair of sidewalks places the burden on the property owner that borders the sidewalk. If the sidewalk in front, alongside, or in the back of your property is in need of repair, please make the necessary repairs.
- ◆ **Removing a tree.** If you plan to remove a tree, please make sure you seek approval in advance from the architectural review committee.
- ◆ **Miscellaneous items.** Please do not leave miscellaneous items out in public view. Ex. Trash cans, tool boxes, chairs, bricks, pits, etc.
- ◆ **Dumping.** Please do not dump any trash, grass, leaves, oil, paint, or other items down the storm drains.
- ◆ **Mold.** Look for and remove mold and mildew growing on your home, garage and fence.
