Financial Statements

June 30, 2024

Independent Auditor's Report

To the Board of Directors and Members
Clear Lake City Community Association, Inc.

Opinion

We have audited the accompanying financial statements of Clear Lake City Community Association, Inc. (the "Association"), which comprise the balance sheet as of June 30, 2024 and 2023, and the related statements of revenues, expenses, and changes in fund balance and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Future Major Repairs and Replacements

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. We have not applied procedures to determine whether the funds designated for future major repairs and replacements as discussed in Note 13 are adequate to meet such future costs because that determination is outside the scope of our audit. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that supplementary information on future major repairs and replacements on page 11-14 be presented to supplement the basic financial statements. Such information is the responsibility of management and although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied limited certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

See accompanying notes to financial statements.

Clear Lake City Community Association, Inc.
Notes to Financial Statements
June 30, 2024

Note 1 - Organization

Clear Lake City Community Association, Inc. (the "Association") is a Texas non-profit corporation formed in March 1963. The Association was organized for civic, educational, and recreational purposes; to provide for maintenance, preservation and architectural control of properties within the boundaries of the Association; and to promote the health, recreation, and well-being of the residents of the community. The Board of Trustees establishes and monitors the policies and procedures of the Association.

Note 2 - Date of Management's Review

In preparing the financial statements, the Association has evaluated the events and transactions for potential recognition or disclosure through January 14, 2025, the date the financial statements were available to be issued.

Note 3 - Summary of Significant Accounting Policies

Fund Accounting

The Association uses fund accounting, which requires funds allocated for future major repairs and replacements be classified separately from funds available for general operations. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains two funds classified for accounting and reporting purposes according to their nature and purpose:

Operating Fund – This fund is used to account for financial resources available for the general operations of the Association.

Replacement Fund – This fund is used to account for financial resources designated for future major repairs and replacements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, whereby income is recognized when earned and costs and expenses are recognized when the obligations are incurred.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments

The Association's financial instruments are cash and cash equivalents, accounts receivable, prepaid expenses and accounts payable. The recorded values of the financial instruments approximate their fair values based on their short-term nature.

Clear Lake City Community Association, Inc.
Notes to Financial Statements
June 30, 2024

Note 3 - Summary of Significant Accounting Policies (continued)

Common Interest Realty Associations – Revenue Recognition

Common Interest Realty Associations (CIRAs) generate revenue primarily from owner assessments and may generate revenue from investment earnings, ancillary operations and other sources. The Financial Accounting Standards Board (FASB) issued new guidance that created Topic 606, Revenue from Contracts with Customers, in the Accounting Standard Codification (ASC), which is effective for annual reporting periods beginning after December 15, 2018, for all entities, including CIRAs. Under FASB ASC 606, revenue is recognized based upon principles of identifying contracts with the customers and underlying performance obligations. The Association recognizes operating and replacement assessments when assessments are due. Any amounts received in advance of the due date are deferred until due. The Association recognizes revenue from ancillary operations as the Association's performance obligations are satisfied, which, according to ASC 606, is generally when services are provided. The balances of contract liabilities as of June 30, 2024 is -0-.

Note 4 – Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, liquid investments with maturities of three months or less. The Association maintains its cash balances in financial institutions which are secured by Federal Deposit Insurance Corporation (FDIC) up to \$250,000 under the agency's Transaction Account Guarantee Program. As of June 30, 2024, all cash balances were insured by the FDIC.

Note 5 – Certificates of Deposit

Certificates of deposit are recorded at cost and are held in various financial institutions by UBS Financial Services. Certificates of deposit at these institutions are secured by the FDIC up to \$ 250,000. As of June 30, 2024, all certificates of deposit were fully insured by the FDIC. The Association's policy is to hold certificates of deposit until maturity. Thus, there are no unrealized gains or losses recognized in the accompanying Statement of Revenues and Expenses.

Note 6 - Assessments Received in Advance

Assessments received in advance at the balance sheet date represent payments received from association members during the current year, which relate to maintenance assessments for the subsequent year. Assessments received in advance are deferred revenue; they are recognized as revenue in the period to which they relate.

Note 7 - Long-term Contract

The association has the following commitments:

- a) In January 2022, the Association entered into a sixty six months contract with an energy company.
- b) In September 2023, the Association entered into a five years lease agreement with Houston Futsal Association.
- c) In January 2019, the Association entered into a forty years lease agreement th NASA Area Little League.

Clear Lake City Community Association, Inc.
Notes to Financial Statements
June 30, 2024

Note 8 - Assessments and Assessments Receivable

Certain residential and commercial properties in Clear Lake City are subject to an annual community service charge at the rate of eight (8) mills per square foot. The annual millage assessments are collected to fund the normal operating costs of the Association and, at the discretion of the Board of Trustees, to accumulate monies for future major repairs and replacements of components of common property. The annual community service charge shall not be raised above eight (8) mills per square foot unless the increase is approved by owners of a majority of the square footage of lots or property in all sections that pay such millage charges. To secure payment of the assessments, a continuing lien covenant runs with the real property assessed. Assessment fees are recognized when due. Accounts are charged to operations when they are deemed uncollectible based upon periodic review of aging and historical collections. Bad debt expense is provided for in accordance with the allowance method of accounting. As of June 30, 2024, the allowance for doubtful accounts was \$50,124.

Note 9 - Federal Income Tax

The Association is exempt from federal income tax pursuant to Section 501(c)(4) of the Internal Revenue Code. The federal tax exemption is based primarily upon the Association's work to promote the common good and well-being of the community and the general public. For the year ended June 30, 2024, the Association filed federal tax Form 990 – Return of Organization Exempt from Income Tax.

The Association has adopted Accounting for Uncertainty for Income Taxes guidance, which clarifies the accounting and recognition of tax exposure for tax positions taken or expected to be taken in its income tax return. An entity's status, including its status as a tax-exempt not-for-profit entity is included in the definition of a tax position.

The Association's tax filings are subject to audit by various taxing authorities. The Association's federal income tax returns for 2021, 2022 and 2023 remain open to examination by the Internal Revenue Service. In evaluating the Association's tax provisions and accruals, the Association believes that its tax estimates are appropriate and based on current facts and circumstances.

Note 10 - State Franchise Tax and Sales Tax

The Association is exempt from Texas franchise tax as a homeowners' association pursuant to Section 171.082 of the Texas Tax Code. The Association is exempt from state sales tax as a qualifying tax-exempt entity under Section 501(c)(4) of the Internal Revenue Code.

Clear Lake City Community Association, Inc.
Notes to Financial Statements
June 30, 2024

Note 11 - Property and Equipment

Real property including common areas acquired from the developer and related improvements to such real property are not reflected on the Association's financial statements. These properties are owned by the individual unit owners in common and not by the Association. The Association capitalizes significant real and personal property to which it has title or other evidence of ownership at cost. The primary classifications of property, equipment and furniture, as June 30, 2024, and their respective useful lives are summarized below. Depreciation expense is calculated using the straight-line method. Depreciation expense for the year ended June 30, 2024, was \$ 55,099.

| | | |
|--------------------------------|----|-------------|
| Land | \$ | 1,837,308 |
| Building and improvements | | 1,889,822 |
| Office equipment | | 11,340 |
| Machinery and equipment | | 152,442 |
| Furniture and fixtures | | 70,785 |
| Recreation equipment | | 45,385 |
| Total | | 4,007,082 |
| Less: Accumulated depreciation | | (1,713,865) |
| Net | \$ | 2,293,217 |

Note 12 – Operating lease

The Association has operating lease for an office equipment. The Association adopted Topic 842 recognized a right-of-use asset and a lease liability and uses a 10% rate to determine the present value of the lease payments. The remaining lease term is 52 month.

Note 13 - Future Major Repairs and Replacements

Pursuant to its governing documents, the Association is authorized to accumulate funds for future major repairs and replacements. The accumulated funds are held in separate savings accounts and certificates of deposit, and are generally not available for operating purposes. The Board of Directors has determined that \$1,000,000 should be maintained in the Replacement Fund for future major repairs and replacements. Amounts accumulated in the Replacement Fund may not be adequate to meet the Association's needs for future major repairs and replacements. If additional monies are needed, the Association may increase assessments subject to legal limits or delay major repairs and replacements until funds are available. More information about future major repairs and replacements is included in a supplemental schedule to these financial statements. The effect of future major repairs and replacements on future assessments has not been determined at this time.

Note 14 - Subsequent Events

Upon evaluation, the Association notes that there were no material subsequent events between the date of the financial statements and the date that the financial statements were issued or available to be issued.

Clear Lake City Community Association, Inc.
Supplementary Information on Future Major Repairs and Replacements
(Unaudited)
June 30, 2024

An independent engineer conducted a reserve study in December 2019 to estimate the remaining useful lives and replacement costs of the Association's common property. The following information is based on that study and presents significant information about the components of common property. The reserve study is a 30-year projection; it uses a 3% inflation rate and assumes no annual maintenance.

| <u>Capital Item to Be Replaced</u> | <u>Capital Expense Budget (\$)</u> | <u>Remaining Useful Life Years</u> |
|---------------------------------------------------------|----------------------------------------|----------------------------------------|
| <i>Applewhite Sports and Recreation Center</i> | | |
| Re-surface single-ply membrane roof | \$ 403,000 | 5 |
