

2024 in review

Academic Scholarships

In 2024 scholarships were awarded to...

107 Secondary Scholars

71 PSS Scholars

More numbers of note

542 Scholarship applications received

4 School visits conducted by Kenyan team

15 Computer training participants

3 Years of the Global Affairs Canada funded Wezesha Kike program completed

Celebrating our Graduates

In 2024 a number of our scholars celebrated milestones

15 Secondary School graduates

5 Post-secondary Graduates

2024 saw the first CMETrust Scholar accepted into a Canadian University through the KenSAP scholarship program!

Community Outreach

Our Kenyan team represented CMETrust at numerous events in 2024 including the People Dialogue Festival

The team also hosted another successful Walk - A - Thon and the inaugural Women in Leadership (WiL) Forum under the Wezesha Kike! Program for CMETrust female Secondary School Scholars and Alumni.

Community Programming

As in previous years in 2024 CMETrust held three school break programs, during the year offering students, alumni, parents and the larger community to gather and participate in sessions on leadership, female health, gender-based violence, and well-being.

Funding and Partnerships

As always, CMETrust is so grateful to the **funders and partners** who support our scholars and programming in Mathare, as well as to our generous donors, volunteers and supporters so willing to give their time and financial support to our **Fundraising initiatives** throughout the year.

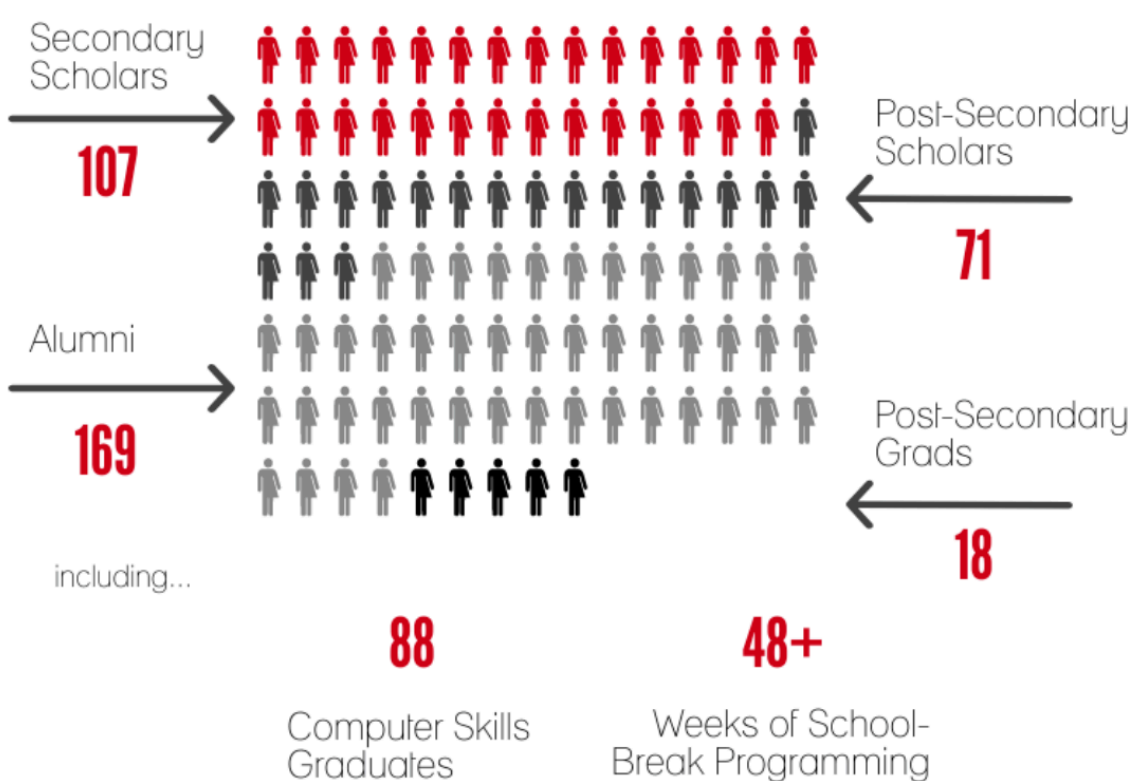

Special acknowledgement for the ongoing generosity of Global Affairs Canada in support female scholars through our **Wezesha Kike (Empower Her) program**

Our Impact

Advancing education one child at a time

276 Young People

50% Girls 50% Boys

Reports and financial statements from past years can be found on the CMETrust website under: **Governance**
