That depends on whether Russia and Ukraine, as well as the United States and its allies, can be pressured to support a negotiated solution.

This is why we need a global movement to demand serious peace talks NOW!

THE OUTLINES OF A PEACE AGREEMENT ALREADY EXIST:
- A comprehensive ceasefire.
- Withdrawal of Russian forces.
- A Ukrainian commitment to international neutrality.
- An agreement/referendum on the disputed Donbas region's future.
- Concrete steps toward nuclear disarmament.

This war should be a global wake-up call.
VIGOROUS NEGOTIATIONS NOW!

The terrifying war in Ukraine should propel us to implement the UN ban on nuclear weapons and move from reliance on fossil fuels to green energy. Instead of war, let's all cooperate to build a peaceful and sustainable world for all our children and grandchildren.
