THE WAR IN UKRAINE IS A DISASTER FOR THE PEOPLE OF UKRAINE. NEGOTIATIONS CAN END IT.

- The U.S. is in a strong position to negotiate with Russia and end this war.
- But not by sending more arms to Ukraine
- The more arms the longer the war, the greater the danger that the war will spread.
- The danger of nuclear war has never been greater. There have been many close calls in the past 66 years. when the US or Russia thought the other country had launched a missile attack.

HOW TO STOP THIS MADNESS

Russia and Ukraine, as well as the United States and its allies, can be pressured to support a negotiated solution.

We need a global movement to demand serious peace talks NOW!

THE OUTLINES OF A PEACE AGREEMENT ALREADY EXIST:

- A comprehensive ceasefire.
- A Ukrainian commitment to international neutrality.
- An agreement/referendum on the disputed Donbas region's future.
- Concrete steps toward nuclear disarmament.

THIS WAR SHOULD BE A GLOBAL WAKE-UP CALL. VIGOROUS NEGOTIATIONS NOW!

The terrifying war in Ukraine should propel us to implement the UN ban on nuclear weapons and move from reliance on fossil fuels to green energy. Instead of war, let's all cooperate to build a peaceful and sustainable world for all our children and grandchildren.
